J. E. MITCHELL FOR COUNTY SHERIFF

Political observers of Monterey county are freely predicting that J. E. Mitchell will be elected to the office of sheriff in the August primaries. Although the race is being hotly contested by the present incumbent of the office for the past 8 years, there is no doubt that Mr. Mitchell is adding friends and strength to his campaign every day. Probably no candidate for public office in Monterey county has ever had so many people from such varied walks of life boosting and working for an election.

Mr. Mitchell's popularity however has been justly earned for he has been in the business, civic and political life of the county for several years. He is at present Police Commissioner and a member of the city council of Salinas. He has had wide experience as an officer of the law in Salinas and elsewhere in the state; he knows human nature and is a man of tolerant understanding who makes and keeps friends. He has a record of absolute disregard of selfish interests when a matter of public morals or duty is at stake. His handling of the dangerous lettuce strike in 1933 was masterly and his firm stand in Salinas against the sale of hard liquor to minors has made him many friends—and some bitter enemies.

In the various stands Mr. Mitchell has taken in the course of his public duties it is a natural consequence that he would make enemies—some of them powerful and unscrupulous. And it is pretty well known that some of these enemies are planning a last minute campaign of mud slinging in a desperate move to circumvent his election. The Sun has been reliably informed that at least one move of his enemies may be a lawsuit for damages by a disgruntled individual Mr. Mitchell clashed with incidentally coming out of the melee the victor.

Mr. Mitchell has made good in various capacities and his long and faithful services as a No. 1 citizen should be awarded with a large vote for sheriff of Monterey county.

PATTERSON A CONSCIENTIOUS OFFICE HOLDER

Carmel is going to give Ellis E. Patterson an excellent vote for re-election to the State Assembly from all present indications. And there is every reason why Mr. Patterson should be returned. He has already performed extremely useful service for Carmel on the Carmel-San Simeon Highway project since he is a member of the Roads and Highways Committee and he will probably do a lot more. As a member of the Highway Committee and the Fish and Game Committee he is now familiar with the needs of his district so comprehensively that he can be invaluable in the next two years which may need level headed legislators very badly.

EAST SWELTERS WHILE CARMEL REVELS

It is a privilege to live in Carmel and we who know it can't help but feel sorry for those who live in the mid-western and eastern states where the heat the past few weeks has been killing sufferers by the hundreds. Carmel's summer has been perfect—old timers say the season this year has been one of the most delightful ever known. Add to the perfect climate a friendly and care-free people; the cultural advantages of the Carmel Music Society; the Carmel Art Association; the dramatic organizations and an endless number of interesting things to do and see and you have an environment as near paradise as you will ever find in the present world.

TO THE TAX PAYERS AND HOME OWNERS RESIDING WITHIN THE LIMITS OF THE CARMEL SANITARY DISTRICT:

Something must be done regarding the elimination of the present sewage disposal tank, on the beach north of the Carmel River mouth.

The trustees of your District have the responsibility of doing everything and anything within their power to solve this problem, and make the Carmel sewer system what it should be, safe, efficient, and of such design as to permit of enlargement for future growth. In view of the fact that the voters did not vote the bonds for the plans advocated and still are advocated by your trustees, this notice is directed to all whom it may concern as a request for the submission of proposals for the sewage disposal of Carmel Sanitary District. Your trustees request that such proposals be made in writing and in such detail as will make said proposal acceptable for submission to the State Board of Sanitary Engineers.

All tax payers or home owners within the district are urgently requested to confer with your trustees on the subject of sewage disposal.

There must be some solution to this problem very shortly.
TRUSTEES CARMEL SANITARY DISTRICT.

A NEW WAY OF DOING BUSINESS

The Sun received the following anonymous communication this week:

In view of Mr. Edward Kuster's statement in the Pine Cone of July 27th the John Reed Club of Carmel can assume no responsibility for payment of the advertisement of a lecture to have taken place on July 22nd. The bill might be sent to the parties who visited Mr. Edward Kuster. Mr. Bunch, the Sun; try Byington Ford.

Something tells us that Byington Ford is not going to pay any bills of the John Reed club. One thing we are not going to do and that is send Mr. Ford the bill but stand the loan ourselves. Any twelve year old child knows that the responsibility for a debt is absolute AT THE TIME IT IS CONTRACTED. But then as we pointed out in the Sun a few weeks ago the John Reed club is composed largely of irresponsible and we now have documentary proof of the fact.

CITY LICENSES DUE;

MANY DELINQUENT

Inaugurating for the first time the payment of the city business licenses for one year in advance instead of one-fourth every three months, Carmel has met with difficulty in collections.

Out of the 277 business places more than 200 had failed to realize that Tuesday was the last day to pay and avoid a 25 per cent penalty.

Many licenses were lowered by the new sliding scale, while some

few have been raised, and it is estimated that the change will make no difference in the city's income.

JOURNEY TO TIBET

Taking a journey to Tibet last Sunday evening, the J.O.Y. club of the Community church spent a most delightful hour. The program was given in the way of a review of the book, "Mountain of Silver Snow," by Duncan, and was thrilling from start to finish.

TRAFFIC VIOLATIONS

HAVE BEEN LIGHT

Only two cases have come before Judge Wood's court this week. John J. Chenoweth was tagged the 30th for driving without due caution. Evidence showed that he passed the intersection at Eighth and Carmelo without slowing up. He was fined \$2.50.

Veronica Wells, employed at the Carmelite mission, was given a fine of \$10 for driving into San Carlos so fast that Fred Wermouth was forced to drive his truck from the paving to avoid striking her.

MOTHER OF GREGORY

FRIDAY AND SATURDAY

The Playhouse management, circulating "The Mother of Gregory," to be played Friday and Saturday nights this week, reminds the community that here is "a play that has twice brought honor and fame to Carmel." If the advance sale of tickets is a criterion, then all Carmel will be at the Playhouse this weekend to do honor to the production which in 1924 brought the theatre world to Carmel's doors and now in 1934 has invaded San Francisco and in a competition involving forty-five groups has captured first honors.

"The Mother of Gregory," based on the ancient Scotch ballad, "Annie of Lochroyan," was written by Maurice Browne several years prior to his discovery of "Journey's End," which brought him a million dollars and the burden of a half-dozen fashionable West-end London theatres. The fortune is largely lost, the theatres and attendant swank have passed into other hands. But "The Mother of Gregory" is a deathless thing, destined to be played in many generations to come wherever the thrill and beauty of the theatre survives.

Edward Kuster, who directed the tournament production which will be seen in its entirety here just as played at the Alcazar Theatre in San Francisco, looks upon this week's performances as a stepping-stone toward the restoration of stage drama to the Theatre of the Golden Bough, turned over to the movies under pressure of the depressed economic conditions commencing with the crash of 1929. It is through such plays as this, which found its premiere in the Theatre of the Golden Bough ten years ago, that Carmel achieved and for a long time held a prominent place on the country's theatrical map.

The performance of Georgia Waple, of Hollister, in the role of the Mother, was recently declared by the critics to be one of the most moving and thrilling portrayals seen in the San Francisco theatres in years. Annie of Lochroyan is played by Betty Meyers, of San Francisco; Lord Gregory of the Black Orag by Evert Sholund, of Monterey; and the producer himself enacts the minor role of Michael, created by him at the premiere a decade ago.

Tickets are on sale daily in the

"DUMB WIFE" COMPETES

WITH VILLAGE FAIR

Forest Theater workers are rapidly dividing into two groups; one being busy with the "Dumb Wife" and the other with plans for the Carmel Village Fair.

Herbert Heron is now casting the roles for Anatole France's "The Man Who Married a Dumb Wife," which will be produced on August 16, 17 and 18 at the Forest Theater. "Artistic and amusing at the same time" said the New York critics. Those adapted to light comedy roles are requested to see Mr. Heron in the afternoon in the Seven Arts building.

Lita Batten is active with plans for the Carmel Village Fair to be given September 1 at the Forest Theater. Those with ideas for stunts or "concessions" should submit them to her. The fair is for all Carmel "to be entertaining or entertained," an all day and evening frolic.

MAYOR RECEIVES THANKS

FROM BRITISH CONSUL

Mayor Thoburn has a letter which he received recently from the Acting British consul-general in San Francisco, which says in part: "On behalf of myself and my government, may I take this opportunity of thanking you and all those who helped make the visit of the H.M.S. Norfolk, the outstanding success that it was."

Court of the Golden Bough in front of the motion picture theatre.

CARMEL IS GRANTED

GOVERNMENT FUNDS

Carmel may still have her city hall, a building worthy of this lovely little city, and Carmel's unemployed may have work that will give them that security of having food and clothes for the winter for themselves and their children to which they are entitled. Under PWA \$27,000 has been granted to this city to be used in the construction of a city hall, according to a telegram read to the city council at their regular meeting Wednesday evening from Congressman McGrath.

Since there are a few things that have to be looked up, a committee comprising City Attorney Argyll Campbell and Mayor James H. Thoburn with Judge Wood as alternate will go to San Francisco the 8th and find out particulars of procedure. Among other interesting and important things discussed at the meeting was the suggestion by Councilman Burge that the city should ask funds from SERA for the building of bulkheads along Scenic drive that will provide a two-way street there so that Carmel's remarkable beach may be really enjoyed. He also suggested that a much needed rest room at the far end of the beach should be included in the specifications. Mayor Thoburn will take up the proposition with Fred Bechdolt, head of SERA for Monterey county. "If I can't get this proposition through under government work," said Mr. Burge, street commissioner, "I intend to do the work slowly, using when available the street funds."

"I am very anxious for the SERA funds for the beach improvement and hope sincerely that Carmel may avail herself of the \$27,000 toward building a city hall," said Mr. Burge, "since so far Carmel as a city has not received one cent of government funds. This does not mean that Carmel will not have to help repay these government loans for of course we are helping other cities improve their properties. Carmel should have her share, too."

The question of Carmel's joining with Monterey and Pacific Grove in leasing the airport from the Del Monte Properties company was discussed and did not receive much favorable consideration, the mayor feeling that Carmel could not afford the extra expense and Councilman Burge expressing himself as being against the proposition on account of the land being privately owned and the lease ending in five years. He does not feel, he said, that government money should be spent on private property. Councilman Catlin spoke for the airport as being in the line of progress.

Chief of Police and Tax Collector Gus Englund requested the council for an extension of time for payments of license so that the penalty of 25 per cent would not have to be added for those who did not apply July 31, but was informed that extension under the law would be illegal. Some of those who would have had to deposit \$100 will now be compelled to put up \$125.

Mrs. H. Anderson is at her old home in Salt Lake City where she was called by the illness of her mother. She will make an indefinite stay.

ORCHESTRA CONCERT

NEXT TUESDAY

The most exciting event in the Carmel Music Society Summer Season is the annual Orchestra Concert, which is set for next Tuesday evening, August 7, in the Sunset School Auditorium, the fourth in the Summer Series of five concerts.

There are so many things about the Orchestra Concert that are of thrilling interest that it is no wonder everyone wants to hear it and everyone is talking of it.

First, Michel Penha is conductor. Mr. Penha, whose international reputation as a cellist preceded his coming to Carmel, has drawn the attention of the musical world of the West towards Carmel, for the presence here of one of the world's greatest musicians as conductor of the local orchestra is a boon that probably no other village in the country can boast of.

Second, "Ted" Norman and "Abe" Weiss, Mr. Penha's colleagues in his Quartet are soloists of the evening, playing the Mozart Double Concerto for violin and viola and orchestra. The brilliant, beautiful work, with which the Orchestra made its debut three years ago, gives great opportunity for the virtuosity of the two soloists.

Third, the rest of the program is equally interesting. For the first time the Monterey Peninsula Orchestra is playing a full symphony—the Italian Symphony of Mendelssohn. Augmenting the Orchestra for the occasion will be several players from San Francisco.

Four, a novelty on the program will be the first public appearance of Mr. Penha's A Cappella Chorus, which will sing a Bach Choral, When Allen-A-Dale Went A-Hunting by Pearsall, The Cherubic Hymn by Grotchanioff, and a Chorus of the Russian Song.

The program will conclude with Massenet's Phedre Overture.

Members of the Orchestra are as follows: First violins: Concert master, Theodore Norman; Robert Nagler, Mildred Schlstrom Wright, Leonard Cooper, Ruth Wright; Second violins: Mafalda Guarnaldi, David Hagemeyer, Frances Maas, Winifred Stilwell, Leonie Arizala; Violas: Abraham Weiss, Nancy Bragg, A. Seidel; Cellos: Virginia Peterson, Jean Crouch, Billy Dickinson, Doris Fee; Double Bass: Fenton Foster; Bass tuba: Lynnwood Doster; Clarinet: Arnold Chapman; Flute: Henry Dickinson; Trumpets: Mrs. Jack O'Hanlon, Paul Taylor; Trombones: Chandler Stewart, Percy Lee; Tympani: Dr. R. M. Hollingsworth; Piano, Ralph Linsley; Harmonium: Ann Greene; French horn, L. Baxter.

CALISTA ROGERS WILL

SING MODERN SONGS

Calista Rogers who is giving a series of song recitals at the Denny-Watrous gallery, more than delighted her listeners at her performance Friday night when she featured songs from Schumann, Schubert, Wolf and Brahms, her stories of the composers and their songs adding to the enjoyment of the evening.

Next week, August 10th, she will feature modern songs, her program to appear in next week's issue of Carmel Sun.

Mrs. Henry Brune of San Francisco stayed at Lockley Hall for a week. She is a friend of Mrs. Bertha Hopkins.

CHRISTIAN SCIENCE CHURCH

"He shall feed his flock like a
 shepherd: he shall gather the
 lambs with his arm, and carry
 them in his bosom, and shall gen-
 tly lead those that are with young."
 These words from Isaiah comprise
 the Golden Text to be used Sun-
 day in all Churches of Christ, Sci-
 entist, branches of The Mother
 Church, The First Church of
 Christ, Scientist, in Boston, Mass.
 The subject of the Lesson-Ser-
 mon will be "Love." Included
 among the Scriptural selections
 will be: "Every good gift and
 every perfect gift is from above,
 and cometh down from the Father
 of lights, with whom is no vari-
 ableness, neither shadow of turn-
 ing" (James 1: 17).

The following passage from the
 Christian Science textbook, "Sci-
 ence and Health with Key to the
 Scriptures" by Mary Baker Eddy,
 will also be included: "God is not
 moved by the breath of praise to
 do more than He has already done,
 nor can the infinite do less than
 bestow all good, since He is un-
 changing wisdom and Love. The
 mere habit of pleading with the
 divine Mind, as one pleads with a
 human being, perpetuates the be-
 lief in God as humanly circum-
 scribed, an error which impedes
 spiritual growth. God is Love.
 Can we ask Him to be more?" (p.
 2).

MRS. GODDARD IS

VISITING IN EAST

Mrs. Ella S. Goddard left Mon-
 terey last Friday to join the group
 of Equitable Life Underwriters at
 Oakland who have qualified for the
 75th Anniversary of the Equi-
 table Life Assurance Society which
 is being held in the Hotel Waldorf
 Astoria in New York City com-
 mencing July 25th. A special
 train made up in Chicago which
 included representatives from the
 ten western agencies. Interesting
 trips to Gettysburg, Washington
 D. C., Mt. Vernon and other
 points of interest have been
 planned for the underwriters.

Before returning to Carmel
 Mrs. Goddard will spend some time
 with her mother, Mrs. Catherine
 Sutton who lives in Apple River,
 Illinois. She will also visit a host
 of relatives and friends in Moroc-
 co, Indiana, where she formerly
 lived.

NEW SHOP TO OPEN 6TH AND SAN CARLOS

The number of Carmel business
 places has been augmented by one
 with the opening of Opportunity
 Shop at the corner of San Carlos

"By opening my shop for handi-
 craft and home cooked foods I feel
 that I am giving an opportunity

 Hickson stated.

A FEW OF THE EDITORIALS ENDORSING RAY L. RILEY

"If there is one man in the state
 capitol who is diligent in the pub-
 lic's business and therefore comes
 before the electorate with a just
 and righteous claim to reelection
 it is State Controller Ray L. Riley.

Owing to the peculiarities of
 the state law, the candidates for
 this office must seek a party nom-
 ination when the duties of the of-
 fice itself are non-partisan.

What the people need in this
 position is not a Democrat or a
 Republican but an honest and
 conscientious citizen, and Ray L.
 Riley is both.

During his term he has saved
 the taxpayers millions of dollars
 through his careful scrutiny and
 his unrelenting watchfulness in
 seeing to it that all state expendi-
 tures are kept strictly within the
 law.

If there is any question of ir-
 regularity or shadow of illegality
 of any financial transaction, Riley
 refuses to honor the claims until
 the attorney general's office or
 the Courts have given him a rul-
 ing.

It also is highly desirable that
 the controller be entirely indepen-
 dent of control by other branches
 of the state government or poli-
 ticians who are in charge thereof.

Riley has proved himself to be
 such an official.
 And the knowledge of that fact
 has prevented many unscrupulous
 and dubious raids on the state
 funds.

If there be some opposition to
 him in certain quarters today, it
 can be traced to the very fact that
 Ray L. Riley is his own man and
 will not compromise his own or the
 state's integrity.

Good citizens everywhere from
 Siskiyou to San Diego should unite
 to insure Ray Riley's reelection.

California will need him on the
 job during the next four years,
 not some inexperienced official."

FARLEY COMMENDS

WORK OF McGRATH

During the radio address at the
luncheon at the 8th District Dem-
ocratic Convention in San Jose on
Friday, July 20, 1934, which was
broadcast over Station KQW,
Chairman James Farley, official
spokesman of the Administration
left no doubt concerning the po-
sition which the administration is
taking in connection with the re-
nomination and election of Con-
gressman John H. McGrath of this
district.

Chairman Farley said: "I would
be remiss in my duty as Chairman
of the National Committee if I did
not pause to pay tribute to the
loyal support and untiring service
which your Congressman, and my
friend, John H. McGrath, has
given in the 73rd Congress to the
entire program of President Roo-
sevelt. I shall expect the people of
the 8th District to show their ap-
preciation by re-electing him to
Congress by a very substantial
majority."

VISITOR WRITES OF

ORCHESTRA REHEARSAL

Dear Editor of the Sun:

Sunday evening I attended a rehearsal of the Monterey Peninsula Orchestra for the first time, and unless you can remember your own first experience, you can have no idea of how thrilled I was.

I have been in lovely Carmel for two weeks and was not enthusiastic when told I should hear a rehearsal of the peninsula's own orchestra, but when I learned that Michel Penha, one of the very finest cellists known, was director, of course I hurried down to the Denny-Watrous gallery.

I thought anyone with Michel's reputation might be "standoffish" but you can see how he struck me when right off I began thinking of him as "Michel."

Over and over he made his orchestra play a strain until it just suited him. Along with all the rest of the audience, I sat tense, just "knowing" that the next time it would be perfect. And, between me and you, I'd take a long chance that their selections will be perfect when Michel is through with them.

Of course Mr. Penha has some members of the orchestra who do not have to be directed, prominent among them being Ralph Linsley, pianist.

I'm sorry I can't express how I really feel about the wonderful things the Carmel Music Society is doing, and about the worth while things they have accomplished in so short a time.

Anyway, I don't intend to miss any of their rehearsals nor programs while I am in Carmel.

Yours enthusiastically,
A CARMEL FAN.

BEAUTIES FOR PAGEANT

REHEARSING DAILY

If the Peninsula had been searched by a committee of experts on feminine beauty for the choicest specimens of loveliness and grace it is doubtful if they could have equalled what George Marion has selected for the two groups of dancers now in rehearsal at Sunset School under his supervision and being taught the different evolutions and steps by June Delight and Zara Koeff; two ladies who were well known stage professionals before making the Peninsula their permanent home. Sibyl Leonard, who will play in Mr. Marion's pageant, "The Apostle of California" was at a rehearsal this week and in review said, "I believe Mr. Marion that you picked out the girls for those first Zeigfeld follies and I want to go on record in testifying that your eye is still in good working order."

The girls who play the Indian maids in the dances under Mrs. Koepp's direction are: Charlotte Howard, Grace Howard, Betty Webber, Glenna Peck, Norris Thompson, Hope Sykes, Elaine Carter, Ace Sykes, Patay Lake, Jean Hemphill, Nancy Van Der Grendt, Carol Bailey and Dorothy Duffer.

Those who are under June Delight's tuition and comprise the fiesta's loving señoritas are: Ruth Campbell, Arline Plein, Dorothy Hare, Bernice Trowbridge, Maureen Plein, Marion Cooky, Edith Hoffman, Frances Ward, Charlotte Page, Iris Parker, Louise Thorne, Wilma Crouch, Lucille Dorey, Mary Poulos, Geraldine Thienes and Virginia Rogers.

Mrs. Ruth Jones and family of Fresno are enjoying the summer here.

THE A CAPPELLA GHORUS

Few people know that every Wednesday evening in the Denny-Watrous Gallery some twenty people have been diligently studying a cappella singing under the direction of Michel Penha. The group will make its first public appearance as a novelty on the Orchestra Concert program next Tuesday evening, August 7.

Members of the chorus are as follows: Sopranos: Vera Hunter, Julia Keith, Kathleen Murphy, Carmel; Frances Shreiman, Monterey; Mrs. H. S. Sund, Presidio; Florence Thrift, Carmel; Altos: Esther Engelaby, Marjory Smith, Myrtle Hoffmann, Carmel; Estelle Koch, Pacific Grove; Roberta Sutherland, Big Sur; Tenors: Andrew Sessink, Carmel; Dr. R. M. Hollingsworth, Monterey; Lieutenant H. S. Sund, Presidio; L. Sutherland, Big Sur; Basses: Joe Clague, Everett Smith, Carmel; Ray Faulkner, L. C. Fisher, Pacific Grove.

HERBERT KRUSE TO

MANAGE ROMY LANE'S

So that he may take a much needed rest, George C. Romine has secured the services of Herbert Kruse as manager for the Romy Lane for an indefinite time.

Mr. Kruse, who is assisted by his wife, is making some innovations in the service, chief among which is the serving of breakfasts and Sunday dinners, next Sunday's menu appearing in this issue.

Mr. Kruse was chef for the Monterey hospital for three years and prior to that he was in business in Los Angeles for eight years, so he feels that he knows how to please the public. Although he is giving an elaborate Sunday menu, he is charging but 60 cents, a raise of only ten cents over the week-a-day dinners.

During Mr. Kruse's stay here, the Romy Lane will specialize in Southern dinners and home cooked pastries.

The Reginald Markham house at Eleventh and Carmelo has been purchased by G. E. Simmons and his sister, Miss Perceval. The sale was made through Thoburns.

George Wishart was among the many who went deer hunting Wednesday, the first day of the season. George Whitcomb is also out after venison.

Miss Anna McLaughlin of San Francisco is a Carmel guest, having come for a two weeks' stay.

J. P. Evans and family of San Jose are in Carmel for a month's vacation.

Mr. and Mrs. Charles Bull of San Mateo have returned home after a delightful week in Carmel.

OLD MISSION GUILD

TO GIVE WHIST PARTY

Another of those delightful Whist parties given by the ladies of the Old Mission Guild has been scheduled for next Tuesday night at Serra Crespi Hall.

A large attendance is hoped for and the usual good time is promised. There was no party in July owing to the fact that the members were all so busy.

Fourteen tables were in play at the Whist party staged by the club at the Mansanita Tuesday evening. The following candidates were present and were introduced by H. W. Allaman, himself a candidate for constable: Atty. Noland, Atty. Pollock, for district attorney; Carl Abbott, J. E. Mitchell for sheriff; V. J. Barlogio for coroner. Frank Sheridan made a talk for the candidacy of Upton Sinclair.

Miss Frances O'Brien and Marie Verselle came down last week from San Francisco for a visit with Mr. and Mrs. Ed. Warner. They walked through the Seventeen Mile drive and did many other interesting things while here.

L. F. Arnone has asked Carmel Sun to express his appreciation in behalf of the Junior Chamber of Commerce to all those who assisted in preparing the float for that organization for the parade at the rodeo held in Salinas last week. The float took second prize.

Mrs. Ilya Jadovskoy has moved the Russian Tea Room to 574 Polk street in Monterey, one half block from Alvarado.

Governor Merriam will be invited to be present at the Serra Festival the last of this month.
